Find Your Best Fit:

Your Guide to a World-Class Online Education

At Palm Beach Atlantic University, we want to make sure you have all the information you need when choosing where to earn your bachelor's degree. That's why we've put together this helpful list of qualities for online learners to look for in a top-notch program.

You'll also learn how our education can uniquely prepare you for a rewarding future. By delivering our online programs with a Christian worldview, we provide a deeper, richer layer to your learning experience that will empower you to reach your goals. Please keep the following key traits in mind as you evaluate your options for earning your degree:

1. Flexible online programs so you can earn your degree on your terms.

PBA provides an ideal path for busy learners to further their careers through higher education. You will have the ability to earn your degree without sacrificing your job or daily responsibilities. Through real-time online classes, instructional recordings, accessibility to RSS feeds and course materials on any smart device, you'll experience a level of flexibility that is simply unmatched.

2. A focus on expert guidance in helping you find your calling.

At PBA, our caring and supportive faculty are known for both their scholarly and professional work. They will help you to grow in and out of the classroom and teach you to build a solid foundation. This is the kind of experience that will impact you, and the world, for life.

3. In-demand degree options that open new career opportunities.

We instill a positive, boundless mindset in our online education that will prepare you to achieve academic excellence and ready you to lead the way in today's top fields. We offer online programs of study in Business, Leadership, Community Psychology, Communication, RN-BSN, Ministry, Gaming and Digital Storytelling.

4. A proponent for change through learning, leadership and service.

Our innovative learning experience will prepare you to grow personally, intellectually and spiritually. Our graduates possess high moral character, demonstrate outstanding citizenship and are servant leaders in their communities, the nation and the world.

5. A connected community to support online learners.

At PBA, our community of online students is anything but solitary. Through real-time video broadcasts, project-based assignments and enlightening and dynamic discussions, you'll have access to all the technical support and assistance you may need. Our innovative online programs offer the same high-level engagement and interaction from instructors and fellow students as you would experience from in-person classes.

We're here to support you in achieving your goals!
